All Trade stands are to display and trade the same merchandise described in their application form. Those found to be selling differently without prior authorisation by the show will be asked to leave and will forfeit their pitch fee.
- Access to the show field is available to Traders from 6am on the day of the show. Access earlier or the day before is by prior arrangement with our trade secretary Darren.
- All Vehicles must be Stationary by 9:30am and must not be moved until 4pm in order to maintain the Health and Safety of the attendants of the show.
- All Traders are responsible for supplying and securing their own stalls suitable for outdoor trade and the products being sold.
- All Food and Beverage Vendors must also display their food hygiene certification
- Application forms and insurance documents as well as payment must all be made prior to the deadline in order to secure your place at the show.
- No pitch space is secured unless payments are made in line with deadlines
- All deposits are paid on a non refundable basis, unless where the show is cancelled by the organisers.
- All trade waste must be removed from the show field at the end of the show. Any excessive rubbish left behind will be invoiced for contribution to our waste removal contract.
