Trading Agreement:

Please note that by booking a trade space at Crowle Agricultural Show, you agree to comply with our Show Rules and Health and Safety Policy.

Some key points applying to trade stands:

- In order to keep variety for both customers and traders alike, we work hard to limit the number of traders selling the same merchandise and therefore. All Trade stands are to display and trade the same merchandise described in their application form. Those found to be selling differently without prior authorisation by the show will be asked to leave and will forfeit their pitch fee.
- Access to the show field is available to Traders from 6am on the day of the show. Access earlier or the day before is by prior arrangement with our trade secretary Darren.
- All Vehicles must be Stationary by 9:30am and must not be moved until 4pm in order to maintain the Health and Safety of the attendants of the show.
- All Traders are responsible for supplying and securing their own stalls suitable for outdoor trade and the products being sold.
- All Food and Beverage Vendors must also display their food hygiene certification
- Application forms and insurance documents as well as payment must all be made prior to the deadline in order to secure your place at the show.
- No pitch space is secured unless payments are made in line with deadlines
- All deposits are paid on a non refundable basis, unless where the show is cancelled by the organisers.
- All trade waste must be removed from the show field at the end of the show. Any excessive rubbish left behind will be invoiced for contribution to our waste removal contract.
- Crowle Show is ran by volunteers each year and we have a zero tolerance of abuse of any of our committee members or volunteers

The show committee work tirelessly to put on the show and protect its future and as such: Breaches of the trading agreement may result in extra charges, removal from the show, forfeiting pitch fees and potential black listing from future events, at the discretion of the show committee.
